## TRAFFIC ALERT: GLENDALE BLVD

SILVER LAKE - Vehicles traveling along Glendale Boulevard this weekend might experience delays and detours as crews with the Los Angeles Department of Water and Power replace an old water main line. As you may have noticed, there has been a reduction in lanes during this construction along Glendale between Fletcher Drive and Deane Street.

This Saturday (10/21), for one day only, motorists traveling north on Glendale Boulevard from Silver Lake will be routed north onto Fletcher Drive. Traffic Control Officers will be on hand to ensure traffic continues moving through the area.

Due to the holiday moratorium on street closures, the work will be completed in two phases: the first will continue through early November, and the second phase will take place in January. This will allow local businesses to operate through the holidays without the impacts of construction.

## RESTORING THE EARL CARROLL THEATRE

HOLLYWOOD - Essex Properties is preparing to restore the historic Earl Carroll Theatre, as well as begin construction on much needed housing (including low income units) on an adjacent lot. Councilmember O'Farrell recently went on a backstage tour of the theatre, which houses machinery that turns a massive rotating stage!

## SECTION 8 HOUSING APPLICATIONS

LOS ANGELES - The City's Housing and Community Investment Department recently announced that the Section 8 waiting list is now open. The Section 8 Program is a rental assistance program that helps very low income individuals and families afford safe and decent housing. After all applications are received and the open period closes (10/29), a lottery will be conducted to select applications to be placed on the waiting list for the program.
